

HELLENIC REPUBLIC
CAPITAL MARKET COMMISSION

ANNOUNCEMENT

Athens, 16 April 2025

The Hellenic Capital Market Commission informs investors that the website "<https://titan-emarkets.com>" does not belong to an entity eligible to provide investment services in financial instruments, as presented in Section C of Annex I of Law 4514/2018, and/or hold investor/client money.

It should also be noted that according to Law 4514/2018, providing investment services and conducting investment activities without authorisation by the Hellenic Capital Market Commission or a corresponding supervisory authority of another EU Member State constitutes an offence punishable by serious criminal and administrative sanctions.

The Hellenic Capital Market Commission urges investors to always verify the licensing and supervision status of the companies they do business or intent to do business with. Specifically, they should check that said companies hold an authorisation by the Hellenic Capital Market Commission or a respective supervisory authority of other EU Member States, by visiting the respective website.
