

HELLENIC REPUBLIC
CAPITAL MARKET COMMISSION

ANNOUNCEMENT

HCMC Chair Dr Vasiliki Lazarakou on 8 February 2024 has been appointed as a member of European Investment Bank (EIB)'s new EU Women Climate Leaders Network (EU WCLN) <https://www.eib.org/en/projects/topics/social-sustainability/gender/wcln>

The Network is an initiative powered by the European Investment Bank Group to leverage women's leadership in the areas of climate action, environment and sustainability. It is a strong network that makes a difference for climate and women in this critical decade; it brings together accomplished women leaders with diverse backgrounds from the private and public sector across all 27 EU countries, who have showcased exceptional leadership in driving climate action and will join forces to give a decisive push to the challenges and opportunities to accelerate the green transition.
