Re-election of the President of the Hellenic Capital Market Commission, Ms Vasiliki Lazarakou, to the IOSCO Board of Directors

Athens, 20 April 2026

The Hellenic Capital Market Commission, through its President, Vasiliki Lazarakou, has been unanimously re-elected by the members of the European Regional Committee of the International Organization of Securities Commissions (IOSCO) as the Committee's representative on the IOSCO Board of Directors for a third consecutive term, for the period 2026–2028.

IOSCO, headquartered in Madrid, is the primary forum for international cooperation among capital market supervisory authorities and is recognised as the leading global standard-setter for securities markets. The Organization comprises more than 200 members from over 100 countries, representing more than 95% of global capital markets. It develops, promotes, and ensures the implementation of internationally recognised standards for capital market supervision and works closely with other international organizations and bodies.

The European Regional Committee, which consists of 52 members, is one of IOSCO's four regional committees and focuses on issues relating to securities markets in Europe.

The President of the Hellenic Capital Market Commission, Ms. Vasiliki Lazarakou, stated:

“Our re-election constitutes an important acknowledgment of the confidence placed in us by the members of the European Regional Committee and further strengthens the role of the Hellenic Capital Market Commission at both the European and international level. Our participation on the IOSCO Board of Directors for the next two years is a particular honour and, at the same time, carries increased institutional responsibility. We are committed to playing an active and substantive role in promoting constructive dialogue, contributing decisively to the development and adoption of best practices that will further enhance the resilience and growth prospects of the markets in the European region.”
