CAPITAL MARKET COMMISSION

ANNOUNCEMENT OF THE HELLENIC CAPITAL MARKET COMMISSION

Following recent events that drew public attention, it is noted that the Hellenic Capital Market Commission always operates within the framework and in accordance with the procedures established by the legislation and guidelines of the European Securities and Markets Authority (ESMA). The HCMC supervises and monitors all matters falling within its remit, and in particular stock exchange transactions in case of important corporate events. The information collected by the HCMC, in cooperation with other supervisory authorities where necessary, is assessed, thoroughly investigated and, where infringements are found, sanctions are imposed as required by law.
