

HELLENIC REPUBLIC  
CAPITAL MARKET COMMISSION

---

**PRESS RELEASE**

Athens, January 22, 2024

**New Digital Portal at the website of Hellenic Capital Market Commission**

In the context of the digital upgrade of the Hellenic Capital Market Commission (HCMC) accommodating the need to facilitate services, from today a New Digital Portal is available to companies, public bodies and citizens.

The provision of the specific Digital Services will contribute to increasing transparency, improving the effectiveness of the HCMC's supervisory work and speeding up the work of the HCMC.

With the New Digital Portal, interested parties have the option of online filing documents and more direct access to HCMC Services. In particular, the digital services concern:

- Submission of application/request (to receive a RefNo)
- Submission of application for professional suitability certification
- Reporting of statistical data concerning the fees/charges for funds managed by Mutual Funds Management Companies and licensed by the HCMC

For more information, read [here](#) the instructions for accessing the Digital Services of the HCMC and then click [here](#) to login.

Especially for the reporting of statistical data by the Mutual Funds Management Companies, relevant instructions will be sent to the Companies.
