

HELLENIC REPUBLIC
CAPITAL MARKET COMMISSION

PRESS RELEASE

Athens, December 6, 2023

The Board of Directors of the Hellenic Capital Market Commission announces today the achievement of an important milestone it set when taking up its duties, i.e. the completion of all cases that were pending for more than five years.

At the meeting of December 5, 2023, the Board of Directors of the Hellenic Capital Market Commission completed the examination of the last old cases, and as a result, for the first time in many years, there are no more pending cases beyond five years.

The completion of these pending cases, which was a priority of this HCMC management, was carried out methodically, conducting all necessary audits during the last 4 years. This development allows the HCMC to continue its supervisory work without the burden of the large number of old cases. The project presented a high degree of difficulty and complexity and its completion is the result of systematic and intensive, collective as well as individual effort of the HCMC staff.
